IN APPRECIATION

Perhaps the Seniors know the people on this page better than the underclassmen. Through the years at W. H. S., many Seniors have become familiar with the members of the Discipline Committee; and, we hope, have profited through their association. This last year has presented many problems for the Seniors, and Miss Faucett has given valuable assistance in choosing colleges and careers. To these people and the ones on the preceding page, we give our sincere thanks.

DISCIPLINE COMMITTEE: Mr. Martin Ramsey, Mr. Marion Stevenson, Mr. J. W. Horne, Miss Mary Maner.
