August 12, 2001

Dear Isabel,

I'm so glad you accepted the chairmanship of the silent auction. We need someone with your energy and know how to pull this all together.

I've updated the mailing list and deleted the returns from Frank's letter. Henrietta is working on the list but I don't have those changes. I have indicated on the list the people who have paid their dues over the past 5 years and that cut the list down about 60%.

I'll be glad to do the labels and will mail them to you or bring them on the 24th. I've enclosed a copy of the list so you can look it over. I have an * on the labels if they have contributed to the association. Please be sure I have not overlooked someone in error.

Look forward to the meeting on the 24th. Wish I could ride with you but I work in Columbia and would need to leave from work to be in Winnsboro at 6:30. I've only been to one silent auction so not much help here but I have a big bag in the dinning room and keep adding little items.

Thank you for all you do for the Association. See you next Friday.

Love,
Shirley
