

With Posture And Musical Perfection

“**T**his course is designed to expose students to the art of singing, concentrating on vocal diction, breath control, and stage decorum. I feel that this class is exciting as well as challenging. It is always important to emphasize quality instead of quantity.”

Standing Tall With Vocal Stride

“**E**ven though this was my first year in Chorus, I can truly say that it has been absolutely great! Mr. Peeples has taught us a lot. Not only did he teach us how to sing, he taught us unity. We had a very small class, but our performance skills were great.”
