

Griffin Football

What's the most popular game of the year? And, what's the game that keeps the crowd screaming and on the edge of their seats? FOOTBALL! It happens every Friday in the fall. Griffin football fans wait anxiously in line for their tickets; while other fans, with their season passes, go hurriedly through the Griffin gates. The Griffin band and cheerleaders entertain the roaring crowd by displaying their moves in the stands as the football team shows their determination to win the battle on the field. The football players run onto the field with one main question at hand: "Who is it gonna be, you or me?"
