

Varsity Boys Basketball

The Fairfield Central Griffins began their 1999-2000 campaign under new head coach Seth Gilmer. Coach Gilmer and his staff instituted a new system and a new attitude to help the Griffins reclaim the State Championship, which Fairfield Central took home in 1998.

The Griffins were led on the season by seniors Donte Harrison, Ron Brown, Jenard Wadlington, Mike Green and Terrance Walker. These five gentlemen were counted on all season by the coaching staff to provide leadership and support for the young players in the Griffin program.

Based on the early season successes of the Griffin basketball team, Fairfield Central is well on their way to prominence in the region and the state!

Above: Quitin Milton scores for the Griffins against the A.C. Flora Falcons.

Right: Dontae Harrison scores two early points against the York Cougars.
