

J. V. Griffin Football

The 1999 Junior Varsity Football team completed another winning season. Facing a tough Region III-AAA schedule, head coach Jerry Jackson and his coaching staff of William Ellis, Dwayne Mack and Ron Arnold had their team ready to meet the competition each week.

One of the most uplifting victories of the season for the Griffins was a home defeat of York. The Griffins had lost to the Cougars earlier in the season and were able to avenge the loss with a victory in E.K. McLendon Stadium before the home crowd.

Above: Ryan Sharpe takes time to grab some water after leading the offensive unit to another touchdown.

Left: Griffin players are always focused on individual and team assignments before each game. It is this focus that has helped to make the Griffin Football Program so dominant around the state.
