

Griffin Golf

The 1999 Griffin Golf team was the most successful one in school history. Led by All-Region golfer Robbie Sharpe, the team set a new school record for victories. With a great deal of younger players, the team was able to live up to some of the potential head coach Gary Smallen recognized early. The fact that they got along well on and off the course played a major role in the team's successes. "It is interesting the way that this team works", said team member Albert Dukes. "At practice we are all trying to beat each other, but when it comes to a match we all have the same goal, and that is to win." The varsity team consisted of Sharpe, Dukes, Brad Williams, Doug Williams, David Hollis, Adam Swearengen, Coleman Dove, Jonathan Starks and John Marris. The team has a very bright future ahead of them.
