

Wishing The Best
to the
Class of 2000

Bridgette Raley,
First Ballet, first date, and
first prom; I've watched
you blossom from a
bright-eyed ballerina to a
beautiful woman. May all
your dreams come true.
I'm very proud of you. I
know that any challenges
that come your way, you
will conquer.
Love,
Mom

Rebecca Scanlan,
Congratulations,
you finally made it
through high school.
Now you can go on
to bigger and better
things. The whole
world awaits before
you. I will be there
to support you all
the way.

Love,
Dad
