

# Thank you

The 1999-2000 DeNova Yearbook, Volume 14, was printed by Taylor Publishing Company of Dallas, Texas. This yearbook received considerable service from Taylor representatives Mike Smith and many thanks to Lily Pyles who answered unlimited phone calls and emails. This book was printed on 100 pound enamel paper stock, the 9 by 12 book featured student designs for the entire book. With a press run of 300 copies, the DeNova sold for \$25 until December 17 and \$30 thereafter until all copies were sold. The class portraits, groups shots, and special events were shot by Bryn-Alan Photography of Columbia, South Carolina. Students shot over 150 rolls of film with a speed of 400 ASA. The DeNova was produced entirely with the aid of two faculty advisors: Mr. Ryan Johnson, Production Advisor; and Mrs. Melissa Leach, Financial Advisor. The DeNova received no funding other than that raised by the sale of the books, advertisements, photography commission, and candy sales. Special thanks go to Principal, Mr. David A. Corley, Assistant Principals, Mr. Calvin Smith, Dr. Marie Roseborough, and Mr. Steve Wicker, for their constant support to both advisors and staff. An additional thanks goes to Ms. Esther Counts for her continual efforts in maintaining cleanliness in the Yearbook Room. Without the undying help of office support staff, Ms. Peggy Young, Ms. Yvonne Young, and Ms. Leilani Horton, the shipping and communications with the company could not have been possible. A special thanks goes to Ms. Melissa Leach, for the use of her computer lab during the production of this book.
