EIGHTH GRADE ENGLISH

MRS. ANNY BOZARD
Team Leader

MRS. ELIZABETH MARTIN

MRS. GRACE MARTIN

*Always remain
the sweet person
you are. Good
luck. Mrs. Bozard*

A child builds himself as he builds his language. Faith in others and faith in one's self are essential to language development and to the development of a wholesome personality. Team teaching enables teachers to take advantage of their special abilities and to work with each student on a more personal and individual basis. Thus, the language arts teacher can, through team teaching, more effectively help each student to develop language skills and a wholesome personality.
