

MISS BETTYE J. YOUNG

SECRETARY

Fairfield Jr. High is very happy and honored to have a cheerful and beautiful young lady, Miss Bettye Young, who, as our secretary, helps to keep our school and students functioning smoothly. During her long day's work she constantly keeps a smile on her face. And we, the students and faculty are very proud to have someone like her assist us in our work.

I need a late pass.

Do you have change of a quarter?

Would you sew my pants?

I need a lunch ticket.

The candy machine is empty!

I want to go home.

How do you work the copier?

Have you seen Mr. Stone?

Will you please type this letter?

I need poster paper.

Do you have a band-aid?

I feel sick. May I lie down?
