WE'VE ONLY JUST BEGUN

We've only just begun to live;
White lace and promises,
A kiss for luck and we're on our way.
And yes, we've just begun.
Sharing horizons that are new to us
Watching the signs along the way,
Talking it over just the two of us
Working together day by day, together
We've only just begun.
Before the rising sun we fly.
So many roads to choose.
We start out walking and learn to run.

The Annual Staff

"Here today, and gone tomorrow" -- those words are a self-explanatory definition of life. Time goes by so fast; there's no waiting. We all want to hold on to something precious--our youth. We want to remember the times when we were young and foolish - the innocent years.

With these thoughts in mind, the year-book staff began its difficult task of summarizing an action packed year in our lives. Our book is completed, but we hope that what it contains will spark fond memories in your heart today, tomorrow and forever.
