

THE BETA CLUB

The Beta Club was organized to encourage effort and reward merit among students and to promote those qualities that make for good citizenship in the school and community. The Junior Beta Club has had a very successful year and has contributed much to the life of Fairfield Junior High.

The Student Council is an organization designed to represent the students of Fairfield Jr. High. Its chief aim is to understand and know the feelings of all students and to inform the faculty and administration of these feelings. The Student Council also helps to organize activities which the students enjoy and which benefit the school.
