THE GREEN LIGHT

We sing hail to thee, Alma Mater;
Thou art worthy of our loyalty.
We'll be true to thee, Alma Mater;
Faithful, Greenbrier, we will ever be.

We hail to thee, we hail to thee,
Thou stalwart one who guides us through the days.
Thou art implanted in our memory;
To thee we render praise.

FOREWORD

High School is one of the many highways on life's journey. It is a long stretch of pavement and like many highways, its obstacles are many with hazardous curves, hills, and valleys which must be approached and surpassed at various speeds. Only by long and hard endeavor with God's guiding hand, can one reach the point of destination.

The highway roads which we have chosen are only contributory to life's highway but on this ancillary phase we find a modified example of life itself, and with courage we can proceed into the realm of the unknown.

We, who are departing from this ancillary part of life, will always cherish the experiences that have made an indelible mark on our memory and hope that we will be able to improve the road for ourselves and our posterity.

DEDICATION

The staff of the 1952 Greenlight presents this annual in loving and cherished appreciation of our community, whose aid and understanding are paramount in all that its subjects yield forth. We realize that confidence is placed in us to be to our community a permanent monument, and that we should endeavor to devote our lives to the ideals which we have learned by being a part of it. We do appreciate the instinct and love of mankind that our community has given us, and the protecting shield it has offered us. It is our very being, our tool of growth, our pride and joy now and our light in the years to come.
