

THE CARDINAL '58

If you should search this
country o're,
From Florida to Maine,
From Golden Gate to Plymouth
Rock,
And then come back again;
From Northern Pines to
Western Plains
Amid the Southern Flowers;
You'll never find a better
school
Than this old school of ours.

There's something that we
wish to say
That may seem strange to you,
But we have known it all
along
And so, of course, it's true.
No matter where you chance
to roam
Beneath the flag so free,
You'll never find a better
school
Than Jenkinsville S. C.

And here's a rousing health to her,
And here's a loud "Hooray";
And may the glories of our school
Grow brighter every day.

In this Cardinal is the story of one of our happy years spent at Jenkinsville High School. As you slowly turn through this book, many cherished memories of games, club activities, parties, Junior-Senior Banquets, and even the long hours spent in classes will be recalled. To everyone, and especially to our teachers, who have stood beside us so patiently we say "Thank You."

We, the seniors, present this book to you in hopes that it will bring much joy to you in the years to come.
