We the Seniors of 1960 have reached the first milestone in our life. A milestone that cannot in any way be relived, therefore we have our CARDINAL to help us think back and to preserve these loyal and memorable days.

We will soon be taking our place along with other American youth, we will always strive to abide by the ideals and principles set before us by the most capable teachers of Jenkinsville High School, and to help us preserve peace and goodwill throughout the world.

Dear Mom and Dad,

For many long years you have encouraged (or prodded as the occasion demanded) me to a successful school life. Only you, with your wisdom, patience, and love, could know that some time in the dim future, I would realize first what you have done for me.

I do know now, in a small degree, that without your untiring efforts, I could never have attained this goal along the road of life.

Yours has not been an easy task, I'm sure. If I've seemed ungrateful I know you have forgiven my shortcomings because they are the universal fruits resulting from youth and unexperience.

To you, then, Mom and Dad, this CARDINAL is dedicated, with love and the assurance that you have not labored in vain. Your inspiration has led me thus far and points to a future limited only by my own ambition.

With love,

Your Graduating  
Son and Daughter
