## ***McCROREY-LISTON ELEMENTARY***

***Life is like a play in which the world is the stage and you are the players. There is a first, second, and third act, and then-the curtain! But the footlights have not yet come for you, and the curtain has not yet risen. You are only going through with rehearsals, but the kind of person you are and the way in which you have prepared will determine how well you play the part. May it be said of you that you did it nobly.***

***Sincerely,  
Evelyn U. Henry***
