

McCROREY-LISTON EAGLE

THE EAGLE STAFF PRESENTS REFLECTIONS

McCROREY-LISTON HIGH SCHOOL

BLAIR, SOUTH CAROLINA 29015

FOREWORD

MALCOLM WILSON Editor

YVETTE TRAPP Associate Editor

"Reflections", the reminders and review of four wonderful years spent at McCrorey-Liston High School. Our theme "Reflections", gives us a look-back on the good times, the bad times and those unforgettable fun times shared by each of us.

Our hearts are filled with memories of the beautiful days we had at MLS, days filled with laughter and tears, success and failure, parties, and other numerous activities in which we participated. The annual will reflect these joyous times.

We the members of the annual staff, extend our hearty thanks to the principal, yearbook advisors, faculty, peers, and schoolmates for helping us produce the 1981 edition of THE EAGLE.

ALMA MATER

MISS L.M. FINCH (Tune: "Juanita")

Dear McCrorey-Liston Our love for thee will ever stand, And sing thy praises as we go o'er the land. To thee we'll be faithful, Living, serving in thy name, With our goals e'er centered On the heights of fame.

When we have parted, From the lovely classic halls, Still we'll remember and rally to thy calls. Thy dear name we'll honor As the school we loved so well, In our lives we'll prove that You're the school to excell.

CHORUS

Liston, McCrorey-Liston, We will always honor thee! Liston, McCrorey-Liston Loyal ones we'll be.

DEDICATION

In every decade there are a few men and women who, because of some outstanding attribute, such as great wealth, unselfish aim, or intellectual achievements, have won the respect and love of their fellowmen.

Such a man is our beloved principal, B. King, IV. Therefore, with much pride and gratitude we, the graduating classes of 1980 and 1981 along with the annual staff, dedicate this edition of THE EAGLE

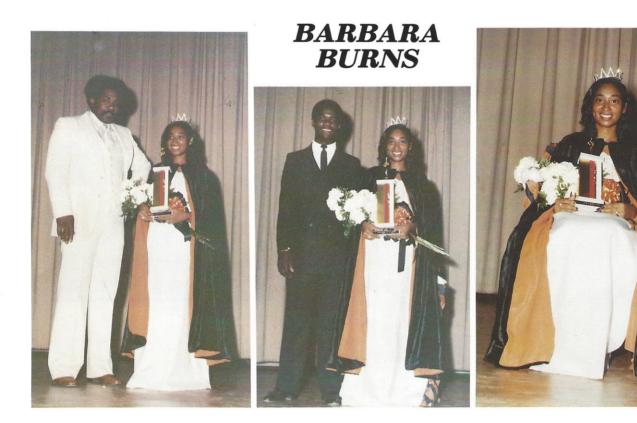

MISS McCROREY-LISTON 1980

PRINCIPAL'S MESSAGE

To The Classes of 1980 and 1981: This decade will possibly issue one of the most important challenges you will ever receive. The 1980's will probably be the most critical era in American History, a time which will test the character and preserverence of each of you. Your task as graduates of McCrorey-Liston will be to face that challenge with poise and dignity. You should be assertive and positive in your attempt to create a better society in which to live, both for yourselves and those who follow.

The instructional, guidance, library, administrative staffs and I have stressed the importance of study, hardwork and positive behavioral attitudes to you. We have done this in an attempt to prepare you to cope with the world and its many problems. The amount of success you achieve will reflex directly to the type of job we have done. Our efforts have been directed purposefully to help you realize the ultimate success for you in your lives.

McCrorey-Liston has a tradition of excellence as exemplified by many young men and ladies who have walked these halls and are now making a contribution to our community and the nation. Your role is to continue to carry high the banner of MLS. Success is a relative term, based solely on hard work.

My wish for you is that you continue to aspire to fulfill your greatest potential and reap some of the rewards which accompany a good and fruitful life. I bid you farewell, as you close this chapter in your life to begin another. Good luck and best wishes to an outstanding group of young men and young ladies.

McCROREY-LISTON ELEMENTARY

Life is like a play in which the world is the stage and you are the players. There is a first, second, and third act, and then-the curtain! But the footlights have not yet come for you, and the curtain has not yet risen. You are only going through with rehearsals, but the kind of person you are and the way in which you have prepared will determine how well you play the part. May it be said of you that you did it nobly.

> Sincerely, Evelyn U. Henry

Making your mark in the world won't be easy. But, at least, you'll always have the comforts in life provided by energy. Use this vital resource wisely. And perhaps, even join SCE&G in our effort to find more efficient

energy sources for the future. Whatever you choose, accept our congratulations and best wishes on graduation.
