FOREWORD

We will long remember that unbeatable McCrorey-Liston spirit, that unbelievable school pride, that desire to pile honors upon honors as an inseparable part of our school life. But high school days do not last forever. The seniors graduate and go their separate ways — college, work, or pursue parenthood.

Perhaps within the next few years, some of the underclassmen will go to the new central high school, leaving McCrorey-Liston to the elementary students who, I hope, will follow and keep up its spirit and its pride in accomplishments.

Between these covers is a partial record depicting our theme "Highlights of 1982-1983". We hope that it will recall many happy memories.

We the members of the annual staff, extend our heartfelt thanks to the McCrorey-Liston family for helping us produce the 1983 edition of THE EAGLE.
