HIGHLIGHTS OF 1982-1983

McCROREY-LISTON HIGH SCHOOL

BLAIR SOUTH CAROLINA

FOREWORD

We will long remember that unbeatable McCrorey-Liston spirit, that unbelievable school pride, that desire to pile honors upon honors as an inseparable part of our school life. But high school days do not last forever. The seniors graduate and go their separate ways — college, work, or pursue parenthood.

Perhaps within the next few years, some of the underclassmen will go to the new central high school, leaving McCrorey-Liston to the elementary students who, I hope, will follow and keep up its spirit and its pride in accomplishments.

Between these covers is a partial record depicting our theme "Highlights of 1982-1983". We hope that it will recall many happy memories.

We the members of the annual staff, extend our heartfelt thanks to the McCrorey-Liston family for helping us produce the 1983 edition of THE EAGLE.

ALMA MATER

Dear McCro-rey Lis-ton, Our love for Thee will ev-er stand,
When we have part-ed from thy love-ly class-ic halls,

And sing thy prais-es, as we goo'er the land.
Still we'll re-mem-ber, and ral-ly to thy calls.

To thee we'll be faith-ful, liv-ing, ser-ving in thy name,
Thy dear name we'll hon-or, as the school we love so well,

With our goals e'er cen-tered on the heights of fame.
In our lives we'll prove that you're the school to ex-cel-l.

CHORUS

Lis-ton, Mc-Crorey Lis-ton, we will al-ways hon-or Thee!

Lis-ton, Mc-Crorey Lis-ton Lo-yal ones we'll be.

PRINCIPAL'S MESSAGE

TO THE GRADUATES:

High school graduation is indeed a special time. It indicates that you have made the adjustment necessary to successfully complete this important phase in your lives. You are to be commended. The preparatory stages you have completed at MLHS will allow you to make cautious, sound and creative decisions with regards to your future.

The McCrorey-Liston School has presented you with an excellent foundation for life, through a well planned instructional program. As your principal, my goal has been to continually seek to upgrade educational programs and provide learning experiences equal to the best anywhere.

Fairfield County schools are in a positive transitional period. Our community has indicated, through passage of the 15 million dollar bond referendum, that it supports an all out effort to provide quality facilities. Dr. Buchanan, and his staff, with positive school board support, are tireless in their effort to develop sequential, effective, fundamentally sound, instructional curriculum clusters which will ultimately enrich the lives and life styles of our school district's graduates.

An American Bald Eagle is the symbol of our country and our school. It should be with pride and dignity that we labor under the watchful eye of this symbol . . . so proud, so strong and intelligent. We must soar as an eagle to the limitless heights of our potentials.

I appreciate the opportunity of working with you during the last few years. I hope that your experiences at MLHS have made you a better person by instilling in you proper manners, desirable behavior, a feeling of self-worth, respect for your fellow man and a hunger for self development and improvement which will never cease.

As you take this giant step forward into the world, best wishes for a successful tomorrow and may God bless you in whatever your endeavor.

Your Principal,

B. King, IV

"REMEMBER"

by

CHRISTINA GEORGINA ROSSETTI

Remember me when I am gone away,
Gone far away into the silent land;
When you can no more hold me by the hand,
Nor I half turn to go yet turning stay.
Remember me when no more day by day
You tell me of our future that you planned:
Only remember me; you understand
It will be late to counsel then or pray.
Yet if you should forget me for a while
And afterwards remember, do not grieve:
For if the darkness and corruption leave
A vestige of the thoughts that once I had,
Better by far you should forget and smile
Than that you should remember and be sad.
