

There are only two
things to worry about
either you are sick or
well

if you're well there's
~~only~~ nothing to worry
about, if you're sick

There's only 2 things to
worry about.

either you'll live or
die, if you live
there's nothing to
worry about but,

if you die there's
only 2 things to worry
about, either you'll go to
Heaven or Hell.

if you go to Heaven there's
nothing to worry about, but
if you go to Hell there'll
be no time to worry, cause
you'd be shaking hands
with all your friends.
