The Blue And Gold

*Published By The Seniors Of
Monticello High School
Strother, South Carolina*

1956

It is the desire of the Blue and Gold staff to portray on these pages the activities of this school year in such a way that in later years they will recall fond memories of pleasant days spent at Monticello High School.

A large, stylized leaf graphic in a light brown color, extending from the bottom right towards the center of the page. It has several pointed leaflets along a central stem.

Foreword

A solid dark brown rectangular block located in the bottom right corner of the page.

Dedication

Evlyn, a

pretty girl. Hope
you stay that way.
I hope you will
forgive me for the time
that we had our little

be my friend. I know we will
have a good time on our Washington
trip. Will be looking forward to
next year.

Love,

Evlyn,
It has really

you. I am sure
you will succeed

Always,

Evlyn I have enjoyed
going to school with
you for the past few
months and wish
you the best of luck
in everything. Love all

There are only two
things to worry about
either you are sick or
well

if you're well there's
~~only~~ nothing to worry
about, if you're sick

There's only 2 things to
worry about.

either you'll live or
die, if you live
there's nothing to
worry about but,

if you die there's
only 2 things to worry
about, either you'll go to
Heaven or Hell.

if you go to Heaven there's
nothing to worry about, but
if you go to Hell there'll
be no time to worry, cause
you'd be shaking hands
with all your friends.

I hope you finish
