FOREWORD

The BLUE AND GOLD Staff of 1957 wishes to portray in this yearbook the club activities, sports, and features of the school. The purpose of this is to record in these pages all the fond memories of Monticello High School.

In the whirlwind of the future, when memory, that treasure house of the mind, has been dimmed and mellowed by time, we hope you will remember and treasure your days at Monticello High School.

Dedication

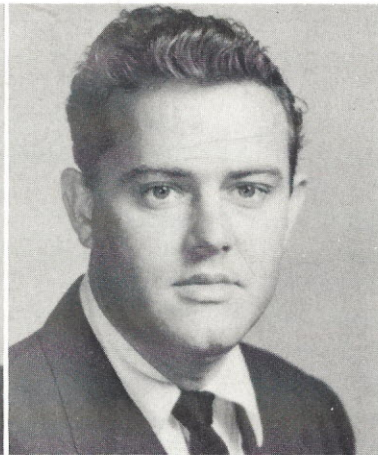

We, the seniors, of 1957
dedicate our yearbook
to
Miss JULIA FAUCETTE
as a token of love and respect for one who for thirty-seven
years has endeavored to teach American youth, both by pre-
cept and example, a true appreciation of their rich heritage
and the value of good citizenship.
