## *Foreword*

As you travel o'er life's pathways, you will encounter numerous experiences you will wish to re-live. There are countless footsteps you would like to retrace.

Through the pages of this 1957-58 BLUE and GOLD, we have tried to capture moments you will want to remember--happy days spent on the campus of Monticello High School.

# *Dedication*

With deepest respect and admiration for a quiet-mannered, friendly teacher, and in appreciation for his continual enthusiasm and his interest in young people as evidenced by the progress made in vocational agriculture at Monticello High School during the past seven years, we, the seniors of the Class of '58 lovingly dedicate this yearbook to Mr. R. R. Foster.
