

Pinkey,
I hope you'll have a great year at Monticello and that you'll have a great time with your friends. I hope you'll have a great time with your friends. I hope you'll have a great time with your friends.

Pinkey,
Here's hoping that we'll have an enjoyable year next year. I have enjoyed being in your class. If anything occurs, I hope we'll have a talk like we did this year. That I will learn as much from them as I did the talks we have had this year. Here's hoping you'll have an enjoyable summer & a happy future.
Love always,
Carole

Pinkey,
I have enjoyed very much going to school with you. We really had some good times on basketball trips, didn't we? I'll never forget the best of everything in the future. Keep up the good work.
Love always

Pinkey,
I have enjoyed going to school with you so much. I can hardly believe I'm graduating this year. Remember all the good times we have had in biology class, psychology, and all the other classes. You'll get along fine next year. I'm sure.
Love
Betty

I have enjoyed going to school with you this last year at Monticello.
