

Hello

Have you met TUSI 'N TAL? Well, we want you to know them—because they represent typical Mount Zion students, and it is through them that we want to picture high school life as we have experienced it.

TUSI 'N TAL will show you that friendships, club activities, athletic contests, and hours of hard work in the class rooms are just a few of the things we will remember longest after we have left this campus.

We, the Seniors, consider that it is definitely an honor to have the opportunity to publish this yearbook. This TUSITALA will enable each of us, and every other student to relive later the joyous days at MZI.

We hope you like them—

Here are TUSI 'N TAL
