

Here are the "big two" who constantly kept us on the 'straight and narrow' by explaining, persuading, and even by using the paddle. But yet, the road would have been twice as long and hard without their careful guidance and sincere thoughtfulness.

Because of their interest in us and in Mt. Zion, Mr. Southerlin, as superintendent, and Mr. Price, as principal and coach, have won a place in all our hearts.

BOARD OF TRUSTEES

In the daily rush of school activities, we are so closely connected with Mr. Southerlin, Mr. Price, and the faculty members that we often forget that there are others who also are very interested in us, our school, and its activities. These people are the members of the Board of Trustees, who have so willingly accepted the responsibility as citizens to see that Mount Zion is the kind of school that the students and parents of Winnsboro want it to be. We wish to pay tribute to the members of the Mount Zion Board of Trustees for their tireless service in our behalf.
