

FUTURE FARMERS OF AMERICA

Left to Right: Jerry Weed, Sentinel; Robert Brewer, Reporter; Mr. Thomas Gladden, Adviser; George Brice, President; Bobby Price, Secretary; Marvin Haygood, Treasurer; Raymond Gardner, Vice-President.

The Future Farmers of America is a National organization for boys studying Vocational Agriculture in high school. The aim and object of this organization is to help a farm boy help himself.

Our local F. F. A. chapter participates in all activities carried on by the state and national organizations. Attendance at the district, state, and national conventions, the annual State Fair in Columbia, and a father-son banquet are among these.
