

# Class Poem

Classmates of '53, we have been at Mt. Zion a long time together,  
Through days that were sunny, and through cloudy weather.  
It is hard to part when friends are dear;  
Perhaps some of us will shed a tear.

Many are the laurels some have won,  
But all have had lots of fun  
Trying to compete in things at school,  
Playing the game fair and not breaking a rule.

We have trod these halls for many a day,  
And since we are leaving we'd like to stay;  
But time moves on with measured tread,  
And we must follow where others have led.

Underclassmen, as we have received the banner given,  
Faithfully now we toss it to you.  
Ever hold fast to courage and truth,  
In the words you speak and the deeds you do.
