JOHN FRANKLIN MACFIE  
1937 - 1953

## VERSE

John Macfie, beloved by all,  
Is here with us today,  
His smile so shy, his twinkling eye,  
His gay, fun loving way —  
Cannot be lost in time or space,  
For qualities so dear,  
Are present always, in our hearts,  
And keep him ever near.
