

MR. WILLIAM RUSSELL PRICE

1906 - 1955

## DEDICATION

We, the members of the Senior Class, dedicate the Tusitala for 1956 to the loving memory of Mr. W. R. Price. A life with such high integrity and sterling convictions could not help but leave its imprint on the lives of the students. Mr. Price for four years guided our steps along the paths of learning. He led the boys on to greater victories, not only on the football field, but in the game of life. We shall always fondly remember the part he played in our lives.
