

The local chapter of Student Council at Mount Zion is active in District, State, and National Student Council. Jerome Davis, Mount Zion's Student Council President, presided at one of the general assemblies of the Fifth District Rally. At this rally, Joe Clark, School Vice-President, led a discussion group. Joe, who is State Vice-President of S.C.A.S.C., will attend the National Convention of Student Councils. This year the club sponsored two talent shows and a clean-up week. They also co-sponsored the visit of Chris Talefer, the French Exchange Student, to Mount Zion, and conducted safety week. To highlight the year they had a supper at which Bud Shaw was guest speaker.
