President

BILL CALKINS
Vice President

SAM BRICE
Secretary and Treasurer

The school year of 1956-57 has been a progressive and happy one for the Mount Zion Music Department. The Band fulfilled a long hope by obtaining uniforms. The Jaycees helped them in this project. Several other schools brought their bands and glee clubs to Mount Zion through the sponsorship of our Glee Club. At Christmas time the Glee Club again presented the beautiful "Messiah". Also at Christmas, the band marched for the first time in uniform for the Christmas Parade. As a climax for their year's activities, the Music Department presented a county-wide music festival. The Mount Zion Band and Glee Club, Mount Zion's grammar school chorus, and county high school choruses took part. The remarkable success of the band and glee club can be attributed to the constant efforts of Mrs. Sprott and Mr. Graham.
