This year the F.F.A. sent two delegates to the State Convention at Clemson College, where Bubba Palmer won second place in the State Forestry Contest. They attended/camp at Murrell's Inlet. They represented Mt. Zion with a Parliamentary Procedure team at Monticello; a soil judging team at Chester; dairy judging team at Lewisville; and a beef judging team at Spartanburg. In their own community, they set out a thousand pine seedlings; secured and worked on a new forest plot; landscaped several yards; and operated a tomato hot bed. They also constructed a number of squeeze gates for cattle chutes; purchased a hereford bull; and treated approximately two hundred head of livestock. They also built a float which was entered in the Christmas Parade. To highlight the year, they have held a number of social outings.

FIRST ROW: Mr. Gladden, Jim Macfie, David Frier, Billy Cathcart, James Albert, Bobby Gladden, Kenneth Black.
SECOND ROW: Morris Douglas, Jerry Bowers, Berry Bonds, Byron Brazell, Marion Wilkes.
