In October the Mount Zion J.H.A. attended the State Fair; while there, they attended the J.H.A. and F.F.A. Meeting. We sent delegates to the Group, District and State meetings and some of our girls attended J.H.A. Camp at Ocean Drive. For their projects this year, they painted the girls' first floor basement and the teachers' lounge. Also, we sponsored two bake sales. Each month the J.H.A. had a party.
