The student council has been extremely active this year, in local, District, State, and National Chapters. Joe Clark, Mount Zion's Student Council president and State Vice-President, presided at one of the general sessions at the State Convention in Florence. He also led a discussion group at this convention. The club has sponsored various activities such as a talent show, clean-up day, Religious Emphasis Week, P. T. A. membership drive, and Fire Prevention Week. To close a very successful year, a banquet was held with Billy Melton as guest speaker.
