The Mount Zion Institute F. F. A. Club began the year by winning the district Forest Contest with a fifty-dollar first prize. This money was used to send two delegates, Marion Wilkes and Morris Douglas, to the state convention at Clemson College. Billy Cathcart was elected Federation president and represented Fairfield, Union, and Newberry Counties at the National Convention in Kansas City. The F. F. A. purchased a new Poss Hereford bull through the Sears Roebuck Foundation. Kitty Rice McMaster was the M. Z. I. beauty queen. Tad Doty, Earl Pope, Stan Gale, and Ronnie McDaniels represented the club at Newberry for the Soil Judging Contest. Representing the Mount Zion Chapter also were judging teams for livestock, beef, and dairy cattle. Fourteen members of the M. Z. I. Club attended the new F. F. A. Camp at Cherry Grove last summer. Twenty plan to attend it this year. The F. F. A. boys have cooperated with the other clubs in the school in rounding out the school program.
