This year has been a very active one for the Library Club. It sponsored a general reading program during National Library Week and adopted the slogan, "Wake up and Read." The club has given to the Mount Zion Library two aluminum wall magazine racks. During Book Week, the Library Club presented Louisa Mae Alcott's "Little Women," and also invited W. D. Mitchell, our county Superintendent of Education, to give a talk in assembly. Two delegates were sent to the State Convention held at Winthrop College.
