This has been a productive year for the Glee Club. At Christmas the "Messiah" was presented. At a special assembly program before Easter the Glee Club sang "Eastertide," a cantata. Then came the district contest at Newberry College. Mount Zion rated "1-plus." The Glee Club took part in the State Contest at Winthrop College, rating a "1" in Class A music. All through the year the Glee Club performed at county teachers' meetings, the Lions' Club, and the Rotary Club. The final presentation was the Spring Music Festival.
