We, the members of the Senior Class, dedicate the 1958 "TUSITALA" to Mr. Riley McMaster. He served Mount Zion faithfully as a member of the Board of Trustees until his tragic accident last summer. We have valued his friendship and all of us hope that he will be back among us soon.

STUDENT COUNCIL

Joe Clark -----	President
Jackie Wilkes -----	Vice-President
Barbara Jennings -----	Secretary
Mary McCright -----	Treasurer

The student council has been extremely active this year, in local, District, State, and National Chapters. Joe Clark, Mount Zion's Student Council president and State Vice-President, presided at one of the general sessions at the State Convention in Florence. He also led a discussion group at this convention. The club has sponsored various activities such as a talent show, clean-up day, Religious Emphasis Week, P. T. A. membership drive, and Fire Prevention Week. To close a very successful year, a banquet was held with Billy Melton as guest speaker.

This has been a good year for the Beta Club, though the death of our sponsor was quite a blow. Members of the Beta Club helped in the cafeteria, taking up lunch tokens. At our December meeting, we were fortunate in having Mr. T. H. McDonald as our guest speaker. Then in February, our annual Bridge Tournament was held. The money we made helped us to attend the Beta Club Convention in Columbia.

Although the F. B. L. A. has been organized only three years, it has proved to be an outstanding club. The project of the F. B. L. A. is to type for teachers and community organizations. At the District Meeting at Lancaster in January, Nancy Croxton was elected vice-president of District V, and Byron Brazzell was chosen "Mr. Future Business Executive." The club also attended the State Convention at the Jefferson Hotel in Columbia.

At the party Miss Faucett, our sponsor, received a beautiful orchid from the J. H. A. members. During December we sold cosmetics to help raise money. Near the end of the month we sent a new constitution to the state supervisor. When January came, we were a new club, "The Future Homemakers of America." We have planned a cake sale and a spring hop as the final activities of this year.

CLASS POEM

Many years ago, it seems,
when we were very young,
With heads held up, tho' hearts were faint
and courage was not strong,
We started on our strug'ling way,
as together then we clung.

As each year came along it brought
us things both bright and sad
That taught us how to live and work
in good times and in bad,
As then we traveled on an on,
young lass and each young lad.

Now at the milestone in our lives
we pause a while to think --
What debts we owe our teachers, who,
with patience and with love,
Helped guide us in the best of ways
to reach this nearing brink.

What debts we owe to everyone
who helped us in our fight
To find what really counts in life:
Respect, not love of might;
Friendship, Faith, and Fellowship,
Kindness, love of Right,
Love of Country; Honesty;
these we must not slight.

Now, looking back, we all can see
how little we can do
To show how much we value all
the training we had too.

Today we surely realize
how much we owe to school;
Mount Zion, though we now must leave,
our hearts you'll ever rule.

CLASS HISTORY

It is my special privilege to present to you the recorded events in the history of the class of 1958.

How well we remember our first year of high school, 1953. We were very proud to be a part of high school, and our enthusiasm could hardly be restrained. After our initiation, we felt as if we actually belonged.

We still recall the pride of being ninth-graders. How we looked down on the younger members of eighth grade! That year we began to join various clubs, participate in sports, and some were chosen to represent the school at the mental contests in Columbia.

We had hardly become adjusted to being freshmen when, before we knew it, we were in the tenth grade. It was a wonderful year, and we began to enjoy high school as it should be enjoyed. We had our first delightful glimpse of the Junior-Senior. Some of the girls were fortunate enough to be chosen to serve the juniors and seniors, and some of the boys were given the honor of being doormen.

1956-57 - - such a memorable year! We were just basking in the glory of being mighty juniors. Our main objective was to raise enough money to give the seniors a successful Junior-Senior Banquet and Prom. We sold candy and hose, worked in the canteen, and presented the class play, "M'Liss." Finally the long-awaited night arrived. When the doors of the gymnasium were thrown open, revealing our beautiful "Sea Fantasy," the admiring glances and excited whispers told us that it was a job well done.

Claudette Kelly and Mary McCright represented our class at Girls' State, Bobby Brice was our representative at Boys' State, marshals and ushers for Commencement exercises were chosen, and we continued to be active in school affairs and sports.

Our senior year was the climax! We experienced all the pleasures of being seniors - - editing the "TUSITALA" and "CAMPUS COMMENTS," electing Senior Superlatives, "Miss D. A. R.," "Miss Hi Miss," and "King Teen," presenting the class play, "Men Are Like Street Cars," and attending the beautiful Junior-Senior Prom given us by the juniors. All the work required of us has been completed.

Now our history is nearing the end. Graduation night, so long looked forward to, brings us a mixture of joy and sadness. Our hearts are grateful for the knowledge we have acquired and for the ideals we have formed. Whatever we may accomplish in life, we shall strive to be an honor to this school.

This is our history, the history of the Class of 1958.

BARBARA FAGAN
Class Historian

Although Mrs. Beckham was with us for only a few weeks, her friendly smile, her helping hand, and her excellent math classes are the things we will always remember.
