The Kittens of Mount Zion had a fairly successful season for 1958-59. In averaging 34 points per game, they compiled an 11-6 record.

The Kittens won six of their first seven games, and for a while, it looked as though Mount Zion would win another trophy.

Probably the most "nerve racking" game which the Kittens played was the Whitmire contest. After being behind in score for most of the game, a member of the second team won the game for M. Z. I. by sinking a basket in the final minute, making the score 24-23.

In the Conference Tournaments the Kittens played well. In their first game against Pageland, the Kittens won a 44-21 decision. Then our girls lost to Clover, 40-32, in a heart-breaking game. As the old saying goes, "You can't win 'em all."

Although the Kittens didn't receive any trophies, they gave all their opponents hard fights.
