BAND

This year has really been a full one for the band. The band marched for all of the home football games and performed for the many spectators who were at the Championship playoffs. Since there was no Christmas parade this year, the band played some Christmas songs at the Court House several times before December 25. When the Girl Scouts started their cookie sale, we marched down Congress Street to help with their drive. During the last months of school the band participated in the Spring Music Festival and presented a concert of its own. This has truly been a grand year for the band.
