Mammy,  
Well, I have enjoyed  
having you for a next door  
neighbor in the "Big Box"  
lots of luck, and hosted the snoring!  
The Bill

Mammy,  
You were great  
in the swimming  
show. I bet it was  
a lot of fun. Next  
year I hope you win  
blue ribbons at all  
the swimming meets.

# HISTORY OF MOUNT ZION

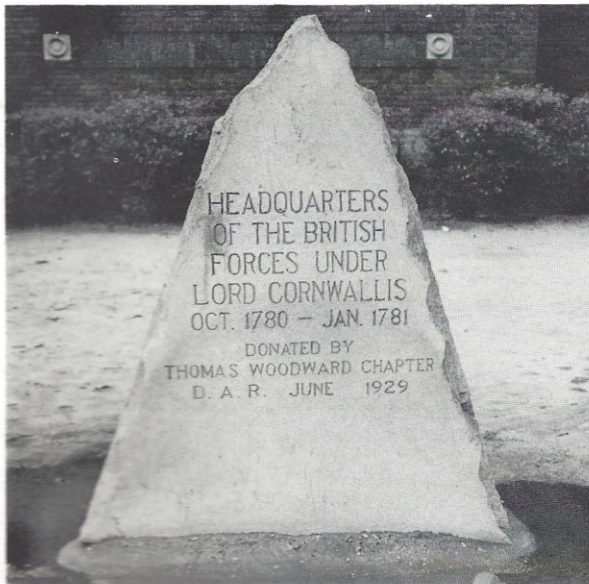

The Mount Zion Society was formed in Charlestown in 1777 and was incorporated for the purpose of "founding, endowing and supporting a public school in the district of Camden." Thus, Mount Zion Institute was conceived. During the time Cornwallis occupied Winnsboro, instruction was disrupted temporarily. During the War Between the States, Mount Zion never closed its doors. In the latter part of the war, the buildings were used as a military hospital, and at the last were occupied by Federal troops.

In 1867 fire destroyed the building completely. A smaller building was erected in 1873. In 1878 Mount Zion was changed from an academy to a public school.

About 1880 an attempt was made to revive the collegiate features of the school. The town issued bonds and additional funds were raised. The school session of 1881 was opened in a large and well arranged brick building.

In 1922 the building was torn away and the present grammar school building was erected. This structure was used by both graded and high schools until 1936, when a new high school building was erected.

Today Mount Zion preserves the spirit of cooperation and fellowship which it has fortunately inherited. Steeped in tradition and historic background, Mount Zion is still a symbol of the better institutions of learning.

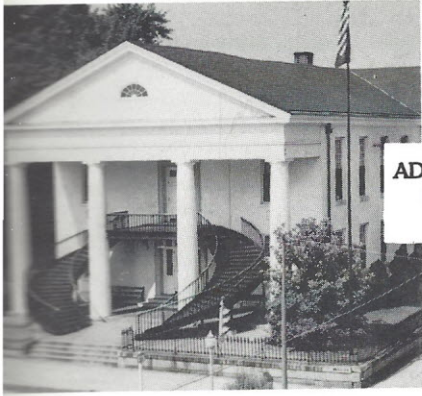

The British army under Lord Cornwallis occupied Winnsboro in 1780. This event disrupted classes at the school, but in 1873 the Society met, reorganized, and continued its work.

The monument which stands in front of the elementary school was erected over the remains of James Wilson Hudson as a tribute to his service to Mount Zion. He came to Mount Zion in 1834 and is said to have made the institution famous.

## FOREWORD

Through the pages of the 1959 TUSITALA, the members of the staff will recapture for you the history and tradition of our school and community. You will see how the people of the community have kept the traditions of the past, and at the same time have been progressive and accepted the challenge to build a stronger community.

# DEDICATION

We, the members of the Senior Class, dedicate the TUSITALA for 1959 to Mr. Purvis W. Collins, our principal, who has led us so well in our search for education. He will always be remembered by us as the coach who helped us win high honors through the basketball teams, a man who gave of his time unselfishly and with dedication whenever necessary, and who served Mount Zion faithfully.

### COURT HOUSE

Fairfield County's Court House is perhaps one of the oldest court houses in the upper part of South Carolina. It was built in 1823 and was designed by Robert Mills. The building was constructed with English ballast brick which were brought to Charleston. The court house was remodeled in 1939, retaining the Mills design. There is a beautiful court room on the second floor of the building. County officials have their offices in this building.

Winnsboro Mills, largest and oldest of United States Rubber Company's textile plants, was originally known as the Fairfield Cotton Mills, which was organized in 1898. Having steadily increased in size and efficiency, the plant has been the county's major industry for many years and currently employs approximately 1,200 workers. Among the principal products of Winnsboro Mills are rayon and nylon tire cord and fabric, synthetic knitting yarn, synthetic floor covering, and tufting yarn.

---------------------	---	----------	----

The Mount Zion Wildcats fielded a potent squad for the opening game with Saluda. The 'Cats took it 35-0. They moved into Bishopville the next week-end and took a 6-0 game.

But the joy was short lived as Mount Zion tasted defeat for the first time at the hands of Eau Claire by a 7-6 score. The 'Cats bounced back with winning form taking Clover 13-0, edging York 2-0, and beating Whitmire 27-0.

The 'Boro boys lived hard the next week-ends but managed to come out on top. They beat "AA" Fairforest 12-6, rival Great Falls 18-13, and arch enemy Chester 13-0. Mount Zion ended the regular season with an unblemished conference record and a 14-0 homecoming victory over Fort Mill.

The Wildcats then journeyed to Seltzer Field in Newberry for the first playoff game. Defending champion Woodruff went down 12-6 before Mount Zion.

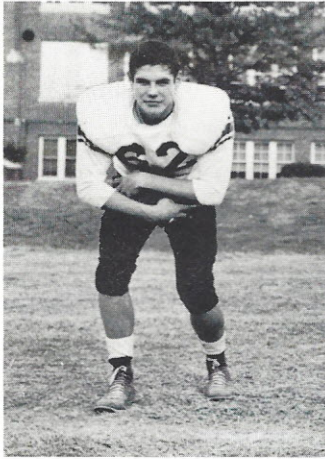

The 'Cats made the state finals by handing Abbeville a stunning 20-0 defeat.

It was cold and rainy as the 'Boro once again moved into Seltzer field for the Championship game with Batesburg-Leesville. It was all Mount Zion as the Wildcats took the game 26-0 and their first State Championship.

The Kittens of Mount Zion had a fairly successful season for 1958-59. In averaging 34 points per game, they compiled an 11-6 record.

The Kittens won six of their first seven games, and for a while, it looked as though Mount Zion would win another trophy.

Probably the most "nerve racking" game which the Kittens played was the Whitmire contest. After being behind in score for most of the game, a member of the second team won the game for M. Z. I. by sinking a basket in the final minute, making the score 24-23.

In the Conference Tournaments the Kittens played well. In their first game against Pageland, the Kittens won a 44-21 decision. Then our girls lost to Clover, 40-32, in a heart-breaking game. As the old saying goes, "You can't win 'em all."

Although the Kittens didn't receive any trophies, they gave all their opponents hard fights.

# Mount Zion Captures Conference Championship

Renwick receives Conference Trophy after final game at Rock Hill.

For the second time in one year, the glory of being state Class "A" champions came to M. Z. I. This time the record-breaking basketball team brought home the honors. This feat was never accomplished by any other team in the school's history.

In accomplishing this championship the 'Cats displayed balance, talent, sharp-shooting, and record-breaking form. The team is believed to hold the record for the most points in a single game, 104. Ronnie Collins broke a school record by scoring 61 points in one game.

The team started fast winning the first twelve games, but then it happened. History repeats itself as the Wildcats lost number 13 to Lancaster by two points. But they bounced back hitting the 100 point mark twice in the next three games.

The 'Cats rolled over their opponents the rest of the season averaging 72 points per game. Mt. Zion went to the Conference Tourney the favorite and won it in style trouncing Chesterfield, beating Great Falls, and knocking off Clover for the trophy.

The Wildcats then moved into Columbia for the first round of the State Championship play-offs, being paired with Taylors. At half-time Mt. Zion was behind by one point. Coming out of the second half, the Wildcats went on a shooting spree and took the lead by 4 points. In the fourth quarter, they stretched their lead to ten points and won the game.

The Wildcats' next game was with Woodruff. Mt. Zion commanded the game taking a 12 point lead at half-time. Then they came storming back to put the finishing touches on the game, and they were in the finals.

The Field House was full as the tall, talented Winnsboro team met the fast-breaking and dangerous Olympia Red Devils. Things were about even at the end of the first quarter which ended 8-all. As the half came to a close Mt. Zion was behind 25-21.

In the second half, the "bad boys from the 'Boro" caught fire and were ahead at the end of three quarters by five points. As the game was coming to the wire the crowd grew tense, but our boys were cool-headed. They went into a freeze and finally won the contest, 57-51. Once again the Wildcats were State Champions.

Collins receives Conference Tourney Most Valuable Player Award.

Shaw and Flanders look on as Wilson gets important rebound in tense Olympia contest.

Foul-shooting wizard Collins calmly makes an important point in State Championship game.

The Mount Zion Wildcats opened their baseball season with two straight losses. After this disappointing start, the Wildcats, receiving splendid hitting and superb pitching, won nine consecutive games before being whipped by a spirited Great Falls team.

Being the Catawba Conference Champions, the 'Cats met Woodruff in an upper-state play-off series and were soundly defeated in two straight games.

Defending Catawba Conference Champions for two years finally relinquished its title to a powerful York track team. The Wildcats compiled 29 points in placing second in the conference meet.

Ronnie Collins took first place in the pole vault with 9 1/2'. He also won the high jump at 5 1/2'. Darwin Flanders placed second in the high jump; Jerry Taylor won first place in the 180 yard low hurdles and placed second in the 100 yard dash. Jimmy Ray Douglas tied for first in the 120 yard high hurdles. Mac Renwick placed second in the 180 yard low hurdles; and Bobby Joyner came in third in the 440 yard dash.

### FORTUNE SPRINGS PARK

The Park was named in honor of Fortune, a slave of Captain John Buchanan, who is said to have waited on La Fayette during the American Revolution. His master granted him his freedom and the tract of land. When Fortune died, the town of Winnsboro took possession of the tract of land since Fortune had no heirs. The Park has a beautiful reflection pool, swimming pool, recreation hall and National Guard Armory.

The 1959 TUSITALA staff has tried to bring Mount Zion students a new and different book. For the first time we have one page of color. We chose a new theme also, one that would illustrate the close relationship between our school and community.

During the past school year, we have had many pictures taken, processed, and counted. We have compiled much copy and rushed to meet deadlines. We have planned, checked, and altered numerous details.

Our money making projects have included selling ads, operating the canteen at basketball games, selling year-book subscriptions, and sponsoring a beauty contest.

Now our labor is over and we, the annual staff, present to you for your enjoyment the 1959 TUSITALA.

## BAND

This year has really been a full one for the band. The band marched for all of the home football games and performed for the many spectators who were at the Championship playoffs. Since there was no Christmas parade this year, the band played some Christmas songs at the Court House several times before December 25. When the Girl Scouts started their cookie sale, we marched down Congress Street to help with their drive. The annual performance of "The Messiah" was given at the Winnsboro Associate Reformed Presbyterian Church and also at the Ridgeway Presbyterian Church. The Easter Cantata, "Eastertide" was presented on Thursday before Easter at the assembly hour for the student body and visitors. The Double Octet has sung for a meeting at the Sion Presbyterian Church and for a district U. D. C. meeting at Ridgeway. The choir has furnished special music for numerous assembly programs and the commencement music. The high light of the activity of the Glee Club was the Spring Music Festival which was given May 8. We also sang with the County Chorus at the county teachers meeting and for the Rotary-Lions meeting. Our money-raising project was the sale of candy and the money was used for the purpose of outfitting the members of the choir with robes.

# CLASS POEM

## FAREWELL

The time has come to say farewell.  
The Senior Class wishes you well,  
Both teachers and students ever dear  
In this our graduating year.

In all the parting we have known,  
We strived and worked for this one--long,  
But now the time is drawing near,  
We wish we had another year.

Then let us pray that we may bear  
The worries and heartaches we may share.  
Although the shadows may pass us by,  
Our hearts will be at M. Z. I.

We know the duties we must fulfill  
And do them only by God's good will.  
Now, we will strive to do our best  
To make our future life a success.

Therefore, we leave with much despair.  
We hope that there are some who care.  
Now, we Seniors will just fade away  
To let the Juniors have their day.

### CLASS HISTORY

Graduation- the climax of five wonderful high school years. Thinking of this takes us back to the beginning of it all. 1954-1955. Our initiation is the first thing that comes to mind. The boys were required to wear Bermuda shorts, old shirts and a baby bonnet. Can you imagine these boys with all their senior dignity dressed in this manner? We girls wore short dresses, a sock and one stocking and our hair was arranged in as many pig-tails as possible.

1955-1956. That year we began to grow up. We were thrilled because we had the opportunity to choose our own subjects, but later that thrill wore off and we found out how hard school was. Disappointed, we pushed on toward our goal.

1956-1957. Our sophomore year was a year of new thrills. Our first peek at Junior-Senior came this year. This was a preview of the wonderful event that would take place for us someday.

1957-1958. How time does fly! Before we knew it, we were on the threshold of completing four of the five most wonderful years of our lives. We were Juniors-happy-go-lucky-and carefree. How we all looked forward to the social high light of school Junior-Senior Banquet. Our theme was "Stairway to the Stars." To raise funds for the Junior-Senior Banquet we presented our Junior Play, "Galloping Ghost." Many of our mem-

bers received high honors during these years. Perry Bonds was elected President of the South Carolina Distributive Education Club in 1958 and presided March 2 and 3, 1959, at the Convention held in Columbia.

1958-1959. Now we are Seniors. All the joys have been ours- choosing senior superlatives, marshals, ushers, mascots, graduation speakers, and presenting our Senior play, "Three Blind Mice."

During this year we shared a very happy experience at Mt. Zion. Our Wildcats won the State Championship in football. The outstanding Senior players were: Bill Calkins, Gene Mincey, Berry Bonds, Jackie Wilkes, Wade Hall, Grady Cotton, David Frier, Jim Hudson, Tommy Stevenson, Ed Crawford, and Mac Renwick. We were also proud of our basketball team for winning the State Championship. The seniors who played on the team were: Jerry Collins, Mac Renwick and Jim Hudson. Never will these two teams be forgotten. They will always be referred to as the "Team of 1958 and 1959."

The past is behind us, our goal is attained. We step forward proudly to take our places in the future. Never shall we forget Mt. Zion and the pleasure we have shared here. Graduation is indeed the climax of high school but it is also the stepping stone to the future.

### TOWN CLOCK

The Wimsboro town clock has run continuously for 100 years. The clock was made before the War Between the States and hauled to Wimsboro from Charleston in wagons. The old public market occupied the ground floor of the town clock. The Confederate monument stands on the square in front of the town clock. Today the building houses the offices of the Chamber of Commerce and the Jaycees.
