

RUNNER-UP TROPHY
STATE CHAMPIONSHIP

One point can decide a game. The champs don't always carry home the winning trophy. We are proud of our team, their accomplishments in the last three years, and the fame they brought to Mount Zion and Winnsboro.

Basketball

This year our male Wildcat five, made an exceptional record. This record consists of, winning the Florence Invitational Tournament, taking the runners'-up trophy at the State Championship playoff, plus the compliment of being rated the No. 1 team in the state for the 1959-60 basketball season.

Our most important game, the state crown playoff with Olympia was lost by a scant one point margin with no discredit to the ability or sportsmanship of the losers.

Though we lost this year we still retain with pride the one state champ trophy and two runners'-up trophies won during the last three years.

The WILDCATS are proud of all their wins:
especially
THE FLORENCE INVITATIONAL TOURNAMENT

The Mount Zion Team surrounding their Florence queen,
Miss Ann Merriman of Florence.
