

JIMMY COLEMAN
Winner of a Baseball Scholarship
To
Furman University

The Class of 1960 has shown outstanding achievement, since they began participating in sports 5 years ago. Mr. W. R. Elliott said this about Winnsboro. "Winnsboro might be called the "Town of Athletes." Seldom has a place the size of Winnsboro furnished so much outstanding athletic material."

Five boys from the Class of 1960 will enter college in the fall of 1960 on athletic scholarships. This is a record for Winnsboro and equals the record of many large cities.

RONNIE COLLINS will enter U. S. C. on a basketball scholarship. JERRY TAYLOR and DARVIN FLANDERS will enter Clemson and DOUG SHAW will enter Furman on football scholarships. JIMMY COLEMAN received a baseball scholarship to Furman and he plans to make good use of it.

GOOD LUCK BOYS! WINNSBORO, along with many other fans, will be watching and waiting.
