## A FOND FAREWELL

The Senior Class of 1960  
Has finally reached this date,  
We thought we'd never make it,  
But we're going to graduate.

Four years we've been together,  
Trudging through these halls,  
And we're the last to ever be  
Within these sacred walls.

We are proud of this tradition  
Of which we've been a part,  
And memories of M. Z. I.  
Will linger in our heart.

Our teachers and advisors  
Have helped us to this day  
To learn the things we need to know  
To guide us on our way.

Our high school days are over,  
We ring the final Bell,  
And to our Alma Mater,  
We bid a fond Farewell!

## A SALUTE TO MOUNT ZION

Our years have passed at Mount Zion High  
The time has come to part  
Sweet memories linger long  
Mount Zion within each heart.

You've helped us strive from day to day  
For higher, better things,  
You've helped us learn and to enjoy  
Treasures that life can bring.

To help us learn what we must know,  
And what we want to be  
Our teachers through the years gone by  
Have strived most patiently.

The years may come and they may go  
And we must travel on  
We'll cherish all the memories  
Of everything you've done.

And let God's light from up above  
Shine brightly so that we,  
In all our many years to come  
Forever remember thee.

## Last Will and Testament

We, the Seniors of Mount Zion Institute, being above average in mental ability and strongest of the strong, this twentieth day of May, One Thousand Nine Hundred and Sixty, do hereby declare this to be our Last Will and Testament.

We leave to the Juniors our ability to have quiet and orderly class meetings in hopes that they will accomplish much in the new school.

We leave to the Junior Class our good looks and wonderful personality. May they use them to the best of their ability as we have.

We leave all the unfortunate Juniors to the mercy of the faculty who have been so determined to get us out of this school.

RONNIE COLLINS is sorry that he cannot leave his sling-shot arm for he'll need it next year at Carolina, but he does leave Lindsay Leviner and Dub Davis in charge of the basketball court. DAN RAVENEL leaves his love for physics to Buddy McFadden. May he get as little out of it as DAN did. KARIN "Shorty" ARMSTRONG and NANCY LEWIS leave their shortness to Andrea Dove. ANNE BUSBEE leaves her ability to laugh at everything to Mary Lynn Brown and Bonnie Short hoping they will laugh throughout their senior year. BUD McDONALD leaves his football playing ability to John Johnson, Bob by Clarkson, and Johnny Starnes.

I doubt if they will use it on the football field. BOB HILTON wills his bass clarinet to Kitty Stewart hoping that she will be able to hit those low notes. JEAN OLIVER leaves her love for Greenbrier graduates to Gloria White. BUDDY PROPST leaves his Einstein brain to Jean Bass hoping that she can use it as well as he did. GRADY STRANGE just plain leaves rejoicing! We wonder will the teachers cry. PATSY LYLES and PATSY RISH will their interest in Clemson to Pat Jackson since the "Little Tiger" will be there next year. AGATHA FORT leaves her remarkable dancing ability, blond hair, and blue eyes to Susan Kelly and Lanny Gunter because two blond, blue eyed people make a cute dancing couple. BILLY GRAVES leaves his nickname "Wolf" to Wayne Shull and Charles Montgomery. We hope that they can live up to their new name. CLAUDIA CARTER leaves her habit of keeping quiet all the time to Linda Ramsey. KATHERINE HIOTT leaves her place on the honor roll to Mary Coleman and Billy Reid. Please don't fight over it!

YANK BRICE leaves his ability to keep quiet in class meetings to Jimmy McLendon. DARVIN FLANDERS leaves his wonderful physique to Bobby Fickling, who already thinks a lot of his figure.
