The Senior Class of 1960 in Remembering  
 Mount Zion Institute presents the  
**TUSITALA, "Teller of Tales."**

# Foreword

Mount Zion is so many things... the accumulation of five years' experience ... different for each boy and girl, yet the same ...

A little education ... classes, trudges to the library, homework ... studies weren't so bad after all ...

A place ... of beauty sometimes and sometimes otherwise, depending on the mood ... noisy corridors ... quiet study halls ... frequently visited office ... favorite campus spots ...

Doing things ... serious, gay ... club meetings ... sporting events ... class plays ... decorating for Jr. - Sr. ... class picnics ... and, in between, just plain loafing ...

People ... who make loafing fun, and work a pleasure ... your favorite teacher ... the gang ... people who make Mount Zion ...

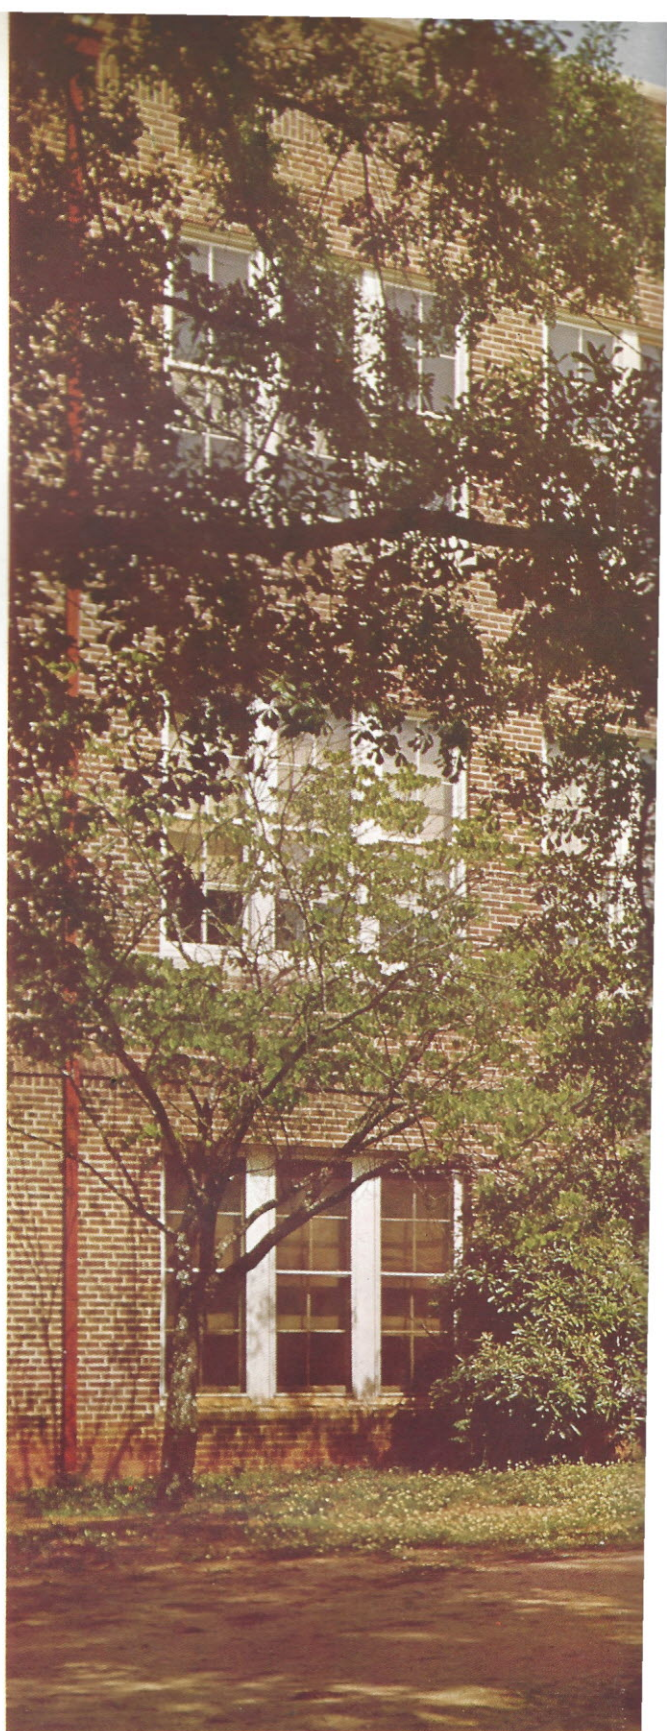

Between the covers of this Tusitala we, the last graduating class of Mt. Zion, have attempted to picture life as we lived it.

## ***Dedication***

We, the members of the Senior Class, dedicate the TUSITALA for 1960 to Mrs. Betty Ann Ferguson, who has given her time and efforts unselfishly to the production of the TUSITALA through the years. Now that we, in putting out our annual, have encountered the difficulties connected with such a publication, we can fully appreciate her patience and perseverance.

# Seniors

Dignified ... traditionally ... Those who take the "luxuries" of being Seniors for granted ... on the watchout for fun ... always bound for somewhere ... finding dignity too heavy a burden for their shoulders ... combination of seriousness and deliriousness ... five full, wonderful years coming to an end for a class that's brave and true.

This year the annual staff has done a great deal toward creating a good year book. We took charge of the canteen during basketball season and sponsored the TUSITALA Beauty Contest. Other money making projects were selling ads and subscriptions. All in all, the staff has tried hard to make this last annual one that will be remembered always, along with Mount Zion.

CAMPUS COMMENTS' activities this year began when the editor attended the annual Press Conference at Winthrop last July. The business staff sold ads last summer and subscriptions after school began.

The annual rally of S. C. S. P. A. District V, met at Mount Zion in November since Buddy Propst was the District President and Mrs. Bass was the District Sponsor.

Entries from the first five issues were sent to the Story of the Month Contest at Winthrop. Susie Lyles, Dub Davis, and Buddy Propst won honorable mention awards in this competition.

Eight issues were published this year. At the annual S. C. S. P. A. State Convention, CAMPUS COMMENTS was represented by Buddy Propst and was awarded an "Honor" rating.

Under the leadership of Mrs. Stevenson and Mr. Gale, the Student Council has had a very active year. Dub Davis, Vice-President, attended the Southeastern Convention in Corpus Christi, Texas. Mount Zion was represented at the State Convention held in Charleston. At the Spring Rally, Dub Davis

was elected chairman of District 5 for next year.

The club has sponsored various activities such as a talent show, clean-up day, and Religious Emphasis Week. A very enjoyable banquet closed our successful year.

This year has been one of the biggest and most successful years that the Beta Club has ever experienced. The big event of the year was the annual State Convention that was held at the Jefferson Hotel in Columbia.

Our club participated by entering a skit in the talent show and running a candidate for state office.

The skit, which won second place, was entitled "Around the World in Eight Minutes" and it brought down the house.

John Johnson was our candidate for State President. Even though he didn't win the election, we all won through the experience we gained and the friendships we made.

The Mount Zion French Club had high aims this year, and with their energetic sponsor, Mrs. Jones, succeeded in several worthwhile projects.

The Club had a meeting each month and enjoyed a variety of programs. After the first organizational meeting, the members enjoyed reports on famous French people, a speaker who had visited France, and a film.

At Christmas, the Club had a

party and enjoyed showing the true spirit of Christmas by giving material aid and bringing happiness to a needy family.

This year the French department has acquired a record player and records which have enlivened the study of French very much.

The students look forward to their continued interest in the French language, and feel as if they can say along with all the loyal citizens of France -- "Vive la France!"

The Mount Zion Future Homemakers of America is composed of sixty-eight members. The officers for this year were Jane Pearson, President; Gloria White, Vice-President; Beverly Powers, Secretary; Randy Perry, Treasurer; and Carolyn Gladden, Reporter.

More than half of our chapter attended the State Convention held at the State Fair in October. Our activities included regular monthly meetings, socials, and serving three banquets for local organizations. We attended all the sub-district and district meetings. At the beginning of the year all officers attended an officers' workshop held in Heath Springs. In April, at the district meeting in Clover, our

chapter achieved the rating of "excellent" for the home experience and dress submitted in the contest. We collected coupons for camp which will be turned into cash to be used for camp improvement, and we also contributed to the camp and scholarship funds. We helped with the international project, "Stamps for Turbfrim," an institution that collects used postage stamps and sells them for the support of the fight against tuberculosis among children in Norway. Mary Lynn Brown will represent our chapter at the State Convention to be held in June at Winthrop College.

Our chapter had a very busy year, this last year of the Mount Zion Future Homemakers of America.

The Mount Zion Band has had a very successful year under the direction of Walter B. Graham with Bob Hilton as Drum Major and president. The Band played and marched for all of the football games including the playoffs. For extra activities the Band participated in the Shrine Bowl Parade, played at the Shrine Bowl Game, participated in the Clemson Band Day exercises, and marched and played in the Winnsboro and Chester Christmas Parades.

With the marching season over, the band held a sock hop in the gym, arranged for the Clemson Concert Band to give us a concert, participated in the annual music festival, and also took part in the program at the last assembly.

The Band progressed to the point where it was able to accompany Bob Hilton's solo in the Music Festival. This marked the first time the Band had been able to do anything of this sort correctly.

The Mount Zion Glee Club has been very busy this year. Our first performance was the presentation of "The Messiah" at the A. R. P. Church.

We attended the District Contest in Newberry and the State Contest at Winthrop. We rated "Excellent" and the soloists rated "Superior."

The Easter Cantata, "Eastertide," was presented at the Stephen Green Baptist Church and also in Assembly.

The Spring Festival was given on May 3. This

was composed of Mount Zion and Everett grammar schools, the County Chorus, the Mount Zion Band, and the Mount Zion Glee Club.

This year the Glee Club and the Double Octet sang for numerous Assembly programs, the Lions Club, church meetings, the Lions-Rotary Meeting, and graduation.

To raise money for more robes, we sold candy and had a pancake supper.

# F. B. L. A.

The F. B. L. A. Club for the year 1959-60 had a membership of 38 from the Junior and Senior classes. Elected from this group to serve as officers were Travis Matthews, President; Carolyn Gladden, Vice-President; Donnie Collins, Secretary; Mary Lynn Brown, Treasurer; and Patsy Rish, Reporter.

Enjoyable refreshments were served at each of the meetings by the refreshment committee, which was headed by Sara Wallace Brice. Among the year's programs were proper procedure for an office, habits and attitudes in an office, and a film on proper dress for an office. At our March meeting we were hon-

ored to have as our guest speaker, Mr. Henry E. Johnson, who gave a most informative talk on various phases of banking.

During the year some of the members made a trip to the district meeting in Chester and the State Convention in Columbia. At the district meeting, Mary Lynn Brown was elected to serve as Vice-President of District 5 for the year 1960-61. Many of the girls did typing for the teachers during the year and, also handled all outside correspondence. The year ended with a river party given for all the members.

## EMILY OBEAR F. T. A. CLUB

The purpose of the F. T. A. Club is to lead high school students to choose teaching as a career.

The requirements are character, scholarship, and interest in the field of teaching.

The projects of the club this year were to gain information concerning teaching, to observe high ethical standards, to supply substitutes for teachers, to present programs of a high order in chapel, and to recognize talent among the other students at Mt. Zion.

During American Education week we presented a program over the public address system and honored the high school teachers by presenting each with a shiny red apple. The green leaf attached carried the following thought:

An apple for the teacher  
On "Appreciation Day"  
From each and every member

We observed National Library Week April the third through the ninth. Mrs. T. K. McDonald, who had just returned from the White House Youth Conference in Washington, gave an interesting talk in Assembly during National Library Week.

The Mount Zion Kittens finished the year with a 7-10 record, averaging 32 points per game. The Kittens had a few close games. The closest was a one point loss to Lower Richland. They played two hard fought games with Olympia, winning the first of two.

Winning only five of their scheduled games, Mount Zion's girls entered the Conference playoffs; however, being determined to win they took the first

game with Clover 43-41. They followed with excellent playing to defeat Fort Mill by a score of 38-33, thus having a chance at the Championship. The deciding game with the "sharp shooting" Chesterfield team was exciting and interesting. Although Mount Zion lost 30-41 they were proud of their runner-up trophy, the last to be won at Mount Zion.

One point can decide a game. The champs don't always carry home the winning trophy. We are proud of our team, their accomplishments in the last three years, and the fame they brought to Mount Zion and Winnsboro.

This year our male Wildcat five, made an exceptional record. This record consists of, winning the Florence Invitational Tournament, taking the runners'-up trophy at the State Championship playoff, plus the compliment of being rated the No. 1 team in the state for the 1959-60 basketball season.

Our most important game, the state crown playoff with Olympia was lost by a scant one point margin with no discredit to the ability or sportsmanship of the losers.

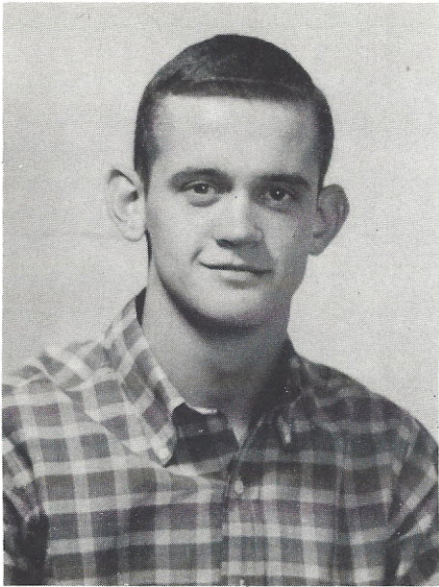

Though we lost this year we still retain with pride the one state champ trophy and two runners'-up trophies won during the last three years.

The WILDCATS are proud of all their wins:

JIMMY COLEMAN  
Winner of a Baseball Scholarship  
To  
Furman University

The Class of 1960 has shown outstanding achievement, since they began participating in sports 5 years ago. Mr. W. R. Elliott said this about Winnsboro. "Winnsboro might be called the "Town of Athletes." Seldom has a place the size of Winnsboro furnished so much outstanding athletic material."

Five boys from the Class of 1960 will enter college in the fall of 1960 on athletic scholarships. This is a record for Winnsboro and equals the record of many large cities.

RONNIE COLLINS will enter U. S. C. on a basketball scholarship. JERRY TAYLOR and DARVIN FLANDERS will enter Clemson and DOUG SHAW will enter Furman on football scholarships. JIMMY COLEMAN received a baseball scholarship to Furman and he plans to make good use of it.

GOOD LUCK BOYS! WINNSBORO, along with many other fans, will be watching and waiting.

# Baseball

We are especially proud of our baseball team this year for they won the State Baseball Championship for the first time in the history of M. Z. I.

During the course of the season we were defeated only once; also, we maintained a spectacular average of seven runs per game while holding our opponents to an average of 2.5 runs per game.

Congratulations to a fine team that added another first to our Alma Mater's already long list!

## A FOND FAREWELL

The Senior Class of 1960  
Has finally reached this date,  
We thought we'd never make it,  
But we're going to graduate.

Four years we've been together,  
Trudging through these halls,  
And we're the last to ever be  
Within these sacred walls.

We are proud of this tradition  
Of which we've been a part,  
And memories of M. Z. I.  
Will linger in our heart.

Our teachers and advisors  
Have helped us to this day  
To learn the things we need to know  
To guide us on our way.

Our high school days are over,  
We ring the final Bell,  
And to our Alma Mater,  
We bid a fond Farewell!

GERALDINE WALTON  
Class Poet

## A SALUTE TO MOUNT ZION

Our years have passed at Mount Zion High  
The time has come to part  
Sweet memories linger long  
Mount Zion within each heart.

You've helped us strive from day to day  
For higher, better things,  
You've helped us learn and to enjoy  
Treasures that life can bring.

To help us learn what we must know,  
And what we want to be  
Our teachers through the years gone by  
Have strived most patiently.

The years may come and they may go  
And we must travel on  
We'll cherish all the memories  
Of everything you've done.

And let God's light from up above  
Shine brightly so that we,  
In all our many years to come  
Forever remember thee.

## Last Will and Testament

We, the Seniors of Mount Zion Institute, being above average in mental ability and strongest of the strong, this twentieth day of May, One Thousand Nine Hundred and Sixty, do hereby declare this to be our Last Will and Testament.

We leave to the Juniors our ability to have quiet and orderly class meetings in hopes that they will accomplish much in the new school.

We leave to the Junior Class our good looks and wonderful personality. May they use them to the best of their ability as we have.

We leave all the unfortunate Juniors to the mercy of the faculty who have been so determined to get us out of this school.

RONNIE COLLINS is sorry that he cannot leave his sling-shot arm for he'll need it next year at Carolina, but he does leave Lindsay Leviner and Dub Davis in charge of the basketball court. DAN RAVENEL leaves his love for physics to Buddy McFadden. May he get as little out of it as DAN did. KARIN "Shorty" ARMSTRONG and NANCY LEWIS leave their shortness to Andrea Dove. ANNE BUSBEE leaves her ability to laugh at everything to Mary Lynn Brown and Bonnie Short hoping they will laugh throughout their senior year. BUD McDONALD leaves his football playing ability to John Johnson, Bobby Clarkson, and Johnny Starnes.

I doubt if they will use it on the football field. BOB HILTON wills his bass clarinet to Kitty Stewart hoping that she will be able to hit those low notes. JEAN OLIVER leaves her love for Greenbrier graduates to Gloria White. BUDDY PROPST leaves his Einstein brain to Jean Bass hoping that she can use it as well as he did. GRADY STRANGE just plain leaves rejoicing! We wonder will the teachers cry. PATSY LYLES and PATSY RISH will their interest in Clemson to Pat Jackson since the "Little Tiger" will be there next year. AGATHA FORT leaves her remarkable dancing ability, blond hair, and blue eyes to Susan Kelly and Lanny Gunter because two blond, blue eyed people make a cute dancing couple. BILLY GRAVES leaves his nickname "Wolf" to Wayne Shull and Charles Montgomery. We hope that they can live up to their new name. CLAUDIA CARTER leaves her habit of keeping quiet all the time to Linda Ramsey. KATHERINE HIOTT leaves her place on the honor roll to Mary Coleman and Billy Reid. Please don't fight over it!

YANK BRICE leaves his ability to keep quiet in class meetings to Jimmy McLendon. DARVIN FLANDERS leaves his wonderful physique to Bobby Fickling, who already thinks a lot of his figure.

TAD DOTY and SLOAN EMERSON leave their ability to get in trouble to Jimmy Robinson and Gene Kelly, although they really don't need it. SANDY SWYGERT leaves his ability to get to school on time to Darlene Porter, Carol Ann Morris, and Audine Boone. We hope they do better with this ability than SANDY did. BOBBY JOYNER, commonly known as "Fido", leaves his ability to get along with girls to Earl Pope. ANN TIMMONS leaves her ability to draw to John Carter and her ability to use peroxide to Sandra Walsh. TRAVIS MATTHEWS leaves her wonderful ability to diet to Pam Fellers, Carolyn Gladden, and Gay Timms in case they ever need it. STEWART BEASLEY leaves his ability to keep quiet in class to Emily Castles. JERRY DAVENPORT leaves his shyness to Stan Gale and Johnny Brigman if they should ever need it. LARRY HOLLIS and CHIP HAYES leave their buses, wrecked and otherwise, to Furman White and Don Lewis. MARY ANN BRUNNER leaves her soprano voice to Joette Spires who now sings bass. JIMMY HICKLIN leaves his Southern drawl and hurried manner to slow-moving Betty Ann Stone. PAULETTE PORTER leaves her love for far-away places to Kaye Blackwell. BETTY JO LEMMON leaves her southern accent to Brenda McLendon. JIM COLEMAN leaves his nickname "Crow" to Wallace Boulware. JERRY TAYLOR leaves his good looks and position on the football team to E. M. Hunter. HERBERT CRAFT and CHARLES CRAFT leave their faithfulness to out-of-town girls to Joel Velasco. BILL BUCHANAN and JOHN McLEOD leave their intellectual ability to Jerry Spencer Smith and Furman Cail. DONNIE COLLINS leaves her shorthand ability to Betty Jo Plyer and Harold Bryant. NELL McFADDEN wills her natural jet-black hair and mature, sophisticated ways to David Gustafson. VANETTIE SMITH leaves her slenderness to Tommy Busbee. JANICE WILSON leaves her daily exercises to Wayne McLendon. WADE PARKER leaves his English ability to Charles LeGrand. AUBREY MITCHELL leaves his ability to blush to Joyce Lemmon and Linda Perry. KENNETH MARTIN leaves his

dull red hair to Weda Jo Houze. DOUG SHAW leaves his love for brunettes to Johnny Wilson. LEE THIGPEN wills his ability to fall asleep in class to Donnie McDonald. CHARLES FEASTER, WAYMON RHYMER, and LINDA ISENHOWER MONTGOMERY will their ability to maintain a peaceful household to any future homemaker in the rising senior class. MARTHA BOULWARE leaves her unconcerned ways and ability to tell jokes to Joyce Black. EVELYN RAMSEY leaves her love for Great Falls--Great Falls boys that is--to Barbara Webb. JEANETTE BOULWARE leaves her love for school vacations to Joe Hennessee. MARTHA WOOD leaves her job in the dime store to Sandra McLendon. DEANNA HEFNER wills her friendly ways to Ted Strange. JOEL WALDROP leaves his love for cars to Louis Christie. SONNY SANDERS leaves his lunch ticket puncher to Wesley Baker. ROBERT BLACK leaves his baseball bat to Jerry Lee Smith. BUDDY HAIGLER leaves Sonjia Porter. ETHEL DEAN wills her invaluable sense of humor to Harriet McMaster, hoping Harriet will laugh throughout her senior year. GERALDINE WALTON wills her cuteness to Mary Jean Collins and Carol Kimble. DOT TIMMS leaves her love for '56 graduates to any junior with an interest in that class. KAY EDENFIELD leaves her love for parties to Judy Thomas and Sandra Sikes. LAWRENCE BRANHAM wills his love for singing to Bruce Baker. JACKIE SIMS leaves her love for singing and singers in the Glee Club to Esther Peach and Mary Helen Gladden. NANCY YONGUE leaves her love for underclassmen to Ann Williams. GAY WRIGHT leaves her numerous nicknames; namely, "Cedar Post", "GayBabby", "Plurie", and some several unmentionable ones to any junior who thinks he can stand the embarrassment. Perhaps Sara Wallace Brice might be interested?

## *Class History*

We, as Seniors and as the last to graduate from Mount Zion Institute, are proud that we had a part in making it what it has become. Because we are the "last" and because we owe much to our Alma Mater, we have strived especially hard to make our achievements and honors something to be praised.

As we reminisce of our high school days, we cannot help but recall the first days of high school, how new it was and how frightened we were. Then came initiation when we were required to dress in ridiculous outfits and parade on the stage. However, by the time the ninth grade rolled around, we were pretty well accustomed to high school and felt that we belonged.

How well we remember the Jr. -Sr. proms. First of all, we think of our Junior year --- how hard we worked to prepare our theme, "Oriental Paradise," but most of all we remember how beautiful the result was. This year the Juniors entertained us with "Mardi Gras" as their theme.

Then too, we cannot forget to mention our Junior and Senior plays, both of which were a great success. "I Was A Teenage Dracula" was presented our Junior year and "Pride and Prejudice" our Senior year.

When we think of sports, the first thing that comes to mind is when our boys' team won the State Class "A" championship in football and basketball last year. To follow up the good record, this year, they took the State Class "A" Championship in football again with a perfect record of no defeats. The basketball team successfully won the Florence Invitational Tournament in which they defeated the best teams in the state. Then our good fortune continued as we took the State Class "A" runnerup trophy. The baseball team added a third championship to our record by taking the State Class "A" crown. It is easily seen that in athletics our teams were superior!

Our Seniors have won many other honors also. Those on the "Campus Comments" staff, (our school newspaper) were responsible for the "Honor" rating the paper has often received. Many participants in the Glee Club have received "1" ratings, not to mention the Glee Club itself, which has been considered excellent. Some of our seniors have received state and district offices and several have shown their scholastic ability by winning scholarships to various colleges. These are only a few of the honors that we could mention here, for there are many more of which we are equally proud.

It is no wonder then, that with all these honors that we have attained and all the good times we have had, that we, the seniors, want to take this occasion in recording our class history, to pay tribute to our beloved school and to say "Thank you, Mount Zion, for all that you have given us."

ETHEL DEAN  
ROBERT BLACK  
Prophets

It was the year 1970, and I, the former ETHEL DEAN, now married to a prominent businessman of Wimsboro, invited MR. and MRS. ROBERT BLACK, also a well-to-do businessman, over to dinner. After we dined, we sat down for the remainder of the evening to watch our favorite T. V. programs. First came "The Thin Man" starring none other than some dear ole' classmates SLOAN EMERSON and his secretary BETTY JO LEMMON. When this program went off, we watched "The Lawyers" featuring BUD McDONALD and CHIP HAYES, along with their famous secretaries NANCY LEWIS and TRAVIS MATTHEWS--both who are well-known for their beauty. Then came the quiz show, "Know Your Stuff" with Professor BUDDY PROPST. The panelists were: TAD DOTY, ANNE BUSBEE, JERRY DAVENPORT, and CLAUDIA CARTER. After this program went off, there was an advertisement of a contest, sponsored by the Fat Ladies Doughnut Shop, under the operation of DEANNA HEFNER. It told of a free trip for four to the World's Fair, which was to be held in Stockholm, Sweden. The next day ROBERT hurried to the drugstore to get the entry blank. DARVIN FLANDERS, the owner of the drugstore, gave ROBERT all of the needed information.

About a month later, our faithful postman, YANK BRICE, who is still working his way through college brought us the delightful news. We had won the contest!

After weeks of preparation, the day finally arrived for us to leave for New York, the starting point of our trip. When we arrived there, we were told at the airport that the plane would be delayed for about two days. We called a taxi and when it arrived, we noticed that it was being driven by CHARLES FEASTER. CHARLES drove us to the Waldorf-Astoria Hotel where we were introduced to the present owner, DOUGLAS SHAW. He told us that his beautiful hotel had been designed by KENNETH MARTIN and LAWRENCE BRANHAM.

MR. SHAW also showed us the hotel's Art Gallery, which contained some priceless paintings by the famous artist ANN TIMMONS. The next day, we went to the Yankee Stadium where we saw a thrilling performance by RONNIE COLLINS and JIMMIE COLEMAN, professional catcher and pitcher for the New York Yankees.

That night we went to a night club; the Les-Swanky, under the management of GRADY STRANGE. While there we were entertained by the chorus girls. They were: MARTHA BOULWARE, KAY EDENFIELD, AGATHA FORT, NELL McFADDEN, and NANCY YONGUE. These girls were led by none other than the famous GAY "BABY" WRIGHT.

We returned to the hotel and after a good night's rest, we boarded the plane. After take off, we were comforted by the hostesses EVELYN RAMSEY and VANETTIE SMITH. The pilot of the plane was BOBBY JOYNER, the co-pilot was BOB HILTON and the navigator was JIMMY HICKLIN. Seated across the aisle from us were MR. AND MRS. LEE THIGPEN and MR. AND MRS. SANDY SWYGERT. They had both become very successful in the business field and were going to visit relatives living in Sweden.

The trip over was so exciting to us. We thought we would never reach Sweden, but after about three hours ride, we reached our destination. After we got off the plane, we were greeted by people from all over the world. By a mere coincidence, the guide who greeted us was WADE PARKER. He took us to the Hotel Sweden, and there we met a few of our classmates, JANICE WILSON and DONNIE COLLINS, the secretaries of the hotel manager, and SONNY SANDERS, one of the bell boys. That afternoon while seated in the lobby, I walked DR. DAN RAVENEL and his wife, who had just begun residing in Stockholm.

We went the next day to explore the many exhibits of the World's Fair. We found that one of the exhibits of the U. S. had been made possible through the research of WAYMON RHYMER and BILLY GRAVES, two great scientists, who were also in our graduation class. We moved on to another building where we saw DOT TIMMS and GERALDINE WALTON. They were operating a fashion show, displaying many of their Southern designs.

The next day, as we were walking down the streets of the fair, we heard beautiful sounds coming from the music department. We entered the building and to our surprise we saw and heard the great concert pianist, MARY ANN BRUNNEMER, and the great mezzo soprano opera singer, JACKIE SIMS, giving a concert.

After such a delightful vacation, the time came for us to make our departure. Our trip home was made on a Swedish Liner. While on board we found the Captain of the ship was JOHN McLEOD and the first mate was CHARLES CRAFT. The recreational director of the ship was PAULETTE PORTER. We also learned that the chef was none other than HERBERT CRAFT.

We docked in New York on a beautiful Tuesday. During our stay in the big city, we visited Columbia University where we were told that KATHY HIOTT had just been chosen as the new chemistry professor. We also learned that MARTHA WOOD was teaching religion in a Brooklyn high school.

From New York, we left for our journey home. We stopped over in Baltimore where we heard that LARRY HOLLIS had set up practice as a general practitioner and was very successful.

We drove on down to Washington where we spent the night with a friend, DR. BILLY BUCHANAN, and his lovely wife. He told us that JEAN OLIVER had written him asking for a position as his receptionist. He also told us about MR. and MRS. AUBREY MITCHELL, she being the former KARIN ARMSTRONG, operating a tree nursery there and were making good progress toward a success.

The next day we left for South Carolina. We were passing through Raleigh, N. C. and decided to stop by the home of BUDDY HAIGLER. He, along with JOEL WALDROP, had become very successful in the field of Textile Engineering.

Early the next morning we rode until we reached Clemson, S. C. There we saw PATSY LYLES, PATSY RISH, and their husbands cleaning the yards

of the four apartment houses they had bought. We stopped and had an enjoyable conversation with them. They informed us that JERRY TAYLOR was now assistant coach at Clemson College.

We reached home late that afternoon, only to meet some of our friends at STEWART BEASLEY'S Grocery Store. Among them were JEANETTE BOULWARE and LINDA MONTGOMERY, who had opened the B & M Beauty Salon.

We told our neighbors and friends of the wonderful experience we had meeting and hearing about all of our classmates, who graduated from Mount Zion with us. Many did not realize the joy we had in seeing an old friend again, but we know that these memories will be cherished forever.

## *In Memoriam*

JIMMY STEVENSON

Of all jewels, he reminded us most of the diamond with its facets flashing rich lustre. His Christian life possessed a quality of quietness, but underneath that quietness was strength of integrity and unselfish devotion to family, friends, and his church.

"They shall be mine, saith the Lord of host, in that day when I make up my jewels."  
Malachi 3:17.
