Josie,

Let me indulge. You have been one of my closest
friends here at RWA. you have helped me over some
great big bumps in the course of these two years. I've
always valued highly your opinions and views because
I knew you were sincere in your beliefs. Never has
I met a more dedicated person to a friendship
than you. Please Josie over the course of your life don't
let anyone persuade you to vary from your high ideas
It is for this reason that I dedicate a lifetime friend-
ship to you, Josie Lyles, for just being the way you
are. Best of best luck forever + ever.
