

Administration

Mr. William L. DuBard, Headmaster, is a symbol of tireless energy and is a tremendous asset to our school. Burdened with the many responsibilities of the Academy, his optimistic attitude keeps our spirits and hopes high. We are very grateful to him for his service and interest in Richard Winn.

What would a school do without a secretary like Mrs. Patrick Matthews? Her "blithe spirit" and bright smile can transform the darkest day into one full of sunshine. Our secretary's vigor is never-ending.
