## AERIE '71

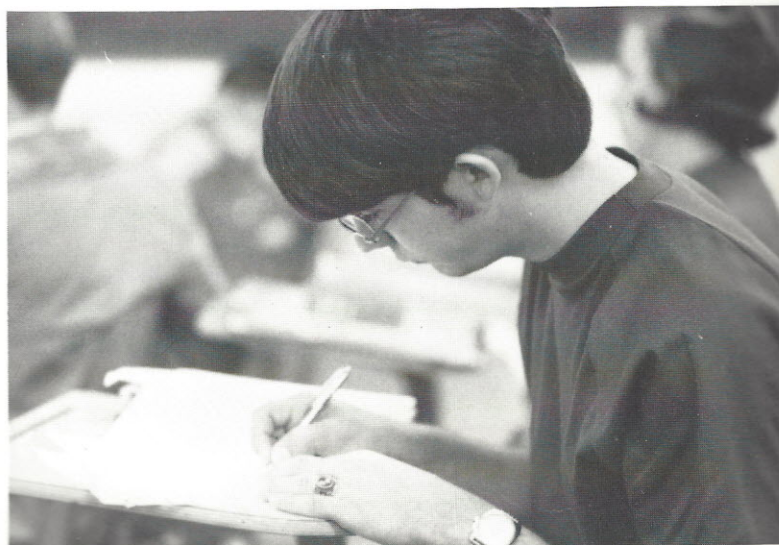

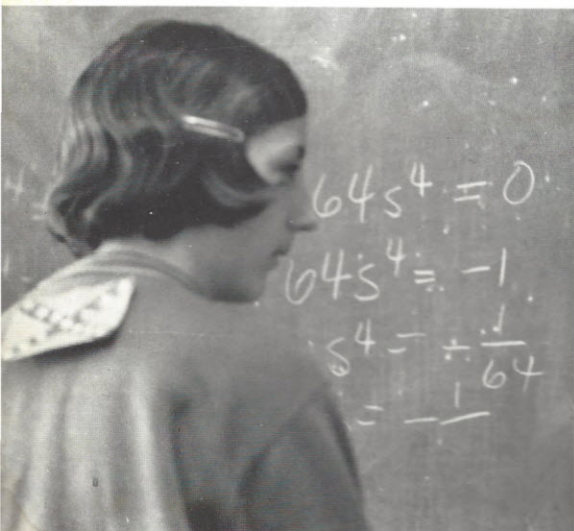

# Richard Winn is . . .

Having doubts ...

... but making decisions

Having questions ...

... but searching for answers.

Being alone ...

... and being together.

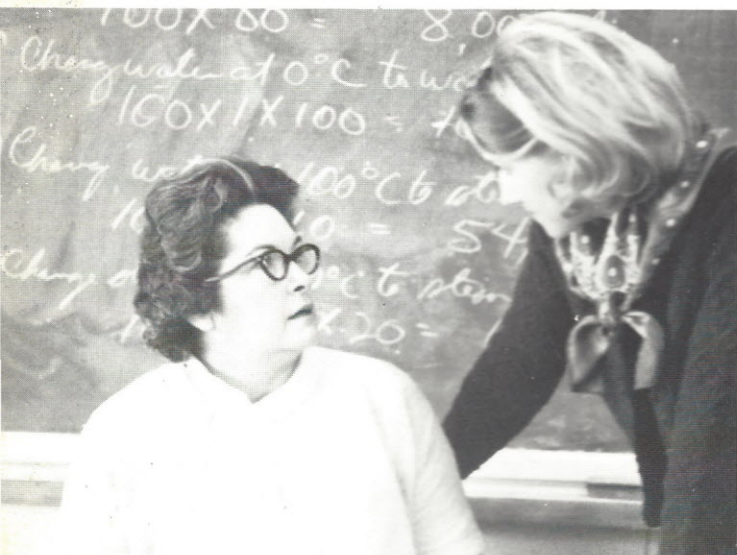

Striving for achievements ...

... but having fun too.

Having disagreements ...

... but finding solutions.

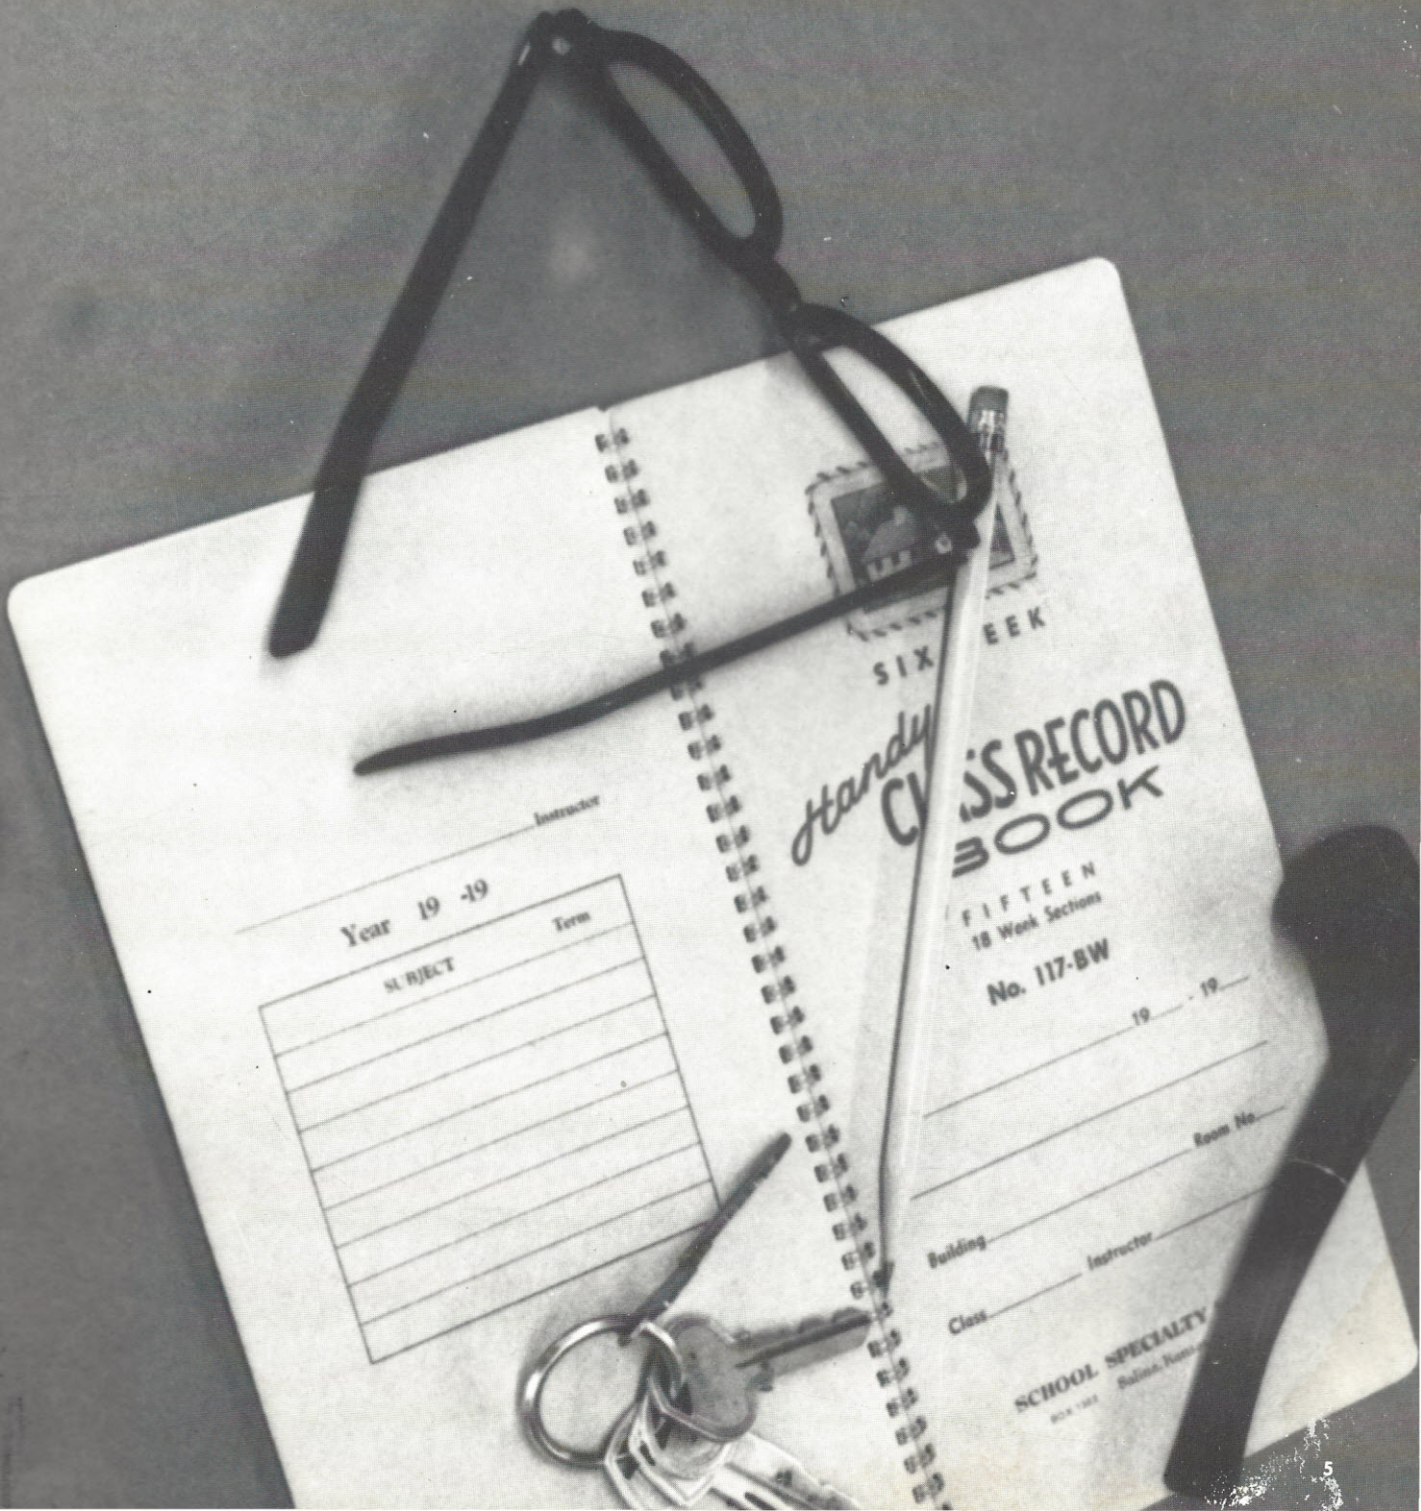

Pulling apart ...

... but working together.

SPORTS ARE MORE THAN JUST PLAYING BALL ...

The success of Richard Winn's athletic teams this year was largely due to the loyal supporters who cheered the teams on to victory. Many people spent much time helping to clean the gym, run the concession stand, take in ticket money, and do other necessary odd jobs to make watching the games a pleasant experience. To these people who helped the Eagles we give great thanks. We hope also in the future that we will have the loyalty and support of many fine students, parents, and friends. So again we give these our heartiest thanks.

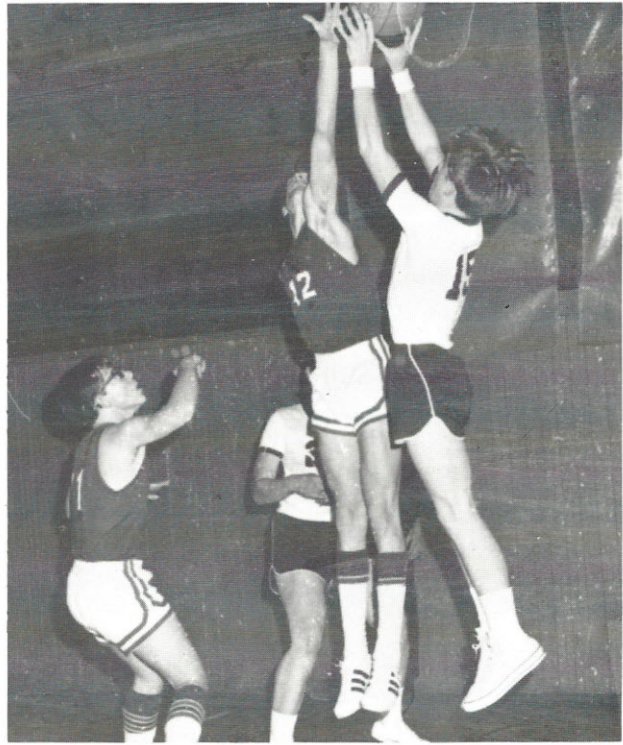

Charge!

Don't just stand there, help!  
The name of the game.

Just because you're taller.  
Stop while we're ahead.
